

Notice Regarding COVID

Freedom P&O continues our commitment to patient care and safety, especially in regards to the ongoing pandemic.

Just a reminder:

- We do stay current on CDC guidelines and State requirements in regards to the pandemic.
- Wearing a mask is optional. Patients and personnel are welcome to use a mask if they prefer. We do have masks available upon request.
- We do offer home visits to healthy patients who prefer to not be seen in our office.
- Please let us know if you need to make appointment changes if you have any symptoms of COVID or have tested positive in the past two weeks.
- We continue to sanitize exam rooms and office surfaces after each patient.
